HOT FOOD SERVED DAILY!

THE STORY OF THE KNOCK SPECIAL.

ONCE UPON A TIME...

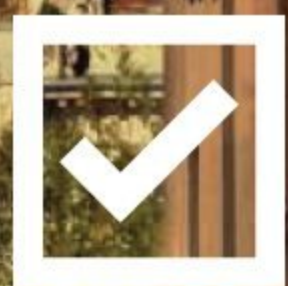

a sandwich was created at the airport
and served with chips and a side
salad. It was introduced in the early
90's and through time it has become
known as the Knock Special.

It has stood the test of time and is
available in both our restaurants,
Sláinte and EatWest for €9.95.

INTERESTING FACT:

The Knock Special is frequently
ordered by pilots for delivery to the
aircraft during their turnaround. We
often chuckle when we hear them
ordering this over the airwaves.
The Knock Special is a toasted ham,
cheese, tomato and onion sandwich,
served with side salad and chips.
